

## ACKNOWLEDGEMENTS

I have taken efforts in this Capstone Consultancy Project Report. However, it would not have been possible without the kind support and help of many individuals and organizations. I would like to extend my sincere thanks to all of them.

I am highly indebted to Universiti Teknologi Petronas specifically Dr. Lai Fong Woon for their guidance and constant supervision as well as for providing necessary information regarding the project & also for their support in completing the project. I would like to express my gratitude towards my parents & member of Export-Import Bank of Malaysia for their kind co-operation and encouragement which help me in completion of this project. I would like to express my special gratitude and thanks to industry advisor, Yeo Kok Wei for giving me such attention and time.

My thanks and appreciations also go to my colleague in developing the project and people who have willingly helped me out with their abilities.
