

LIST OF PUBLICATIONS

Abdul Halim AG, Nuruddin M.F., Shaharin H. (2011), Strength development of concrete with multiple blended binders using waste product, Journal of Building and Environment, PERGAMON-ELSEVIER SCIENCE LTD. (under review)

Abdul Halim AG, Nuruddin M.F., Shaharin H (2011), Strength estimation model for high-strength concrete incorporating MIRHA and silica fume. Journal of Civil Engineering, ASCE-AMER SOC CIVIL ENGINEERS. (under review)

Abdul Halim AG, Nuruddin M.F., Shaharin H (2011), Strength estimation model for high-strength concrete incorporating MIRHA and pulverized fuel ash (PFA). Proceedings to Civil Engineering and Environment Systems, (under review)

Abdul Halim AG, Nuruddin M.F., Shaharin H (2011), Mechanical properties of MIRHA as a mineral addition in concrete. Journal of Material in Civil Engineering, ASCE-AMER SOC CIVIL ENGINEERS. (under review).

Abdul Halim AG, (2011), Multiple blended binders utilizing local waste product in concrete, proceeding of Malaysia Science Technology, UTHM

Abdul Halim AG, (2010), Multiple blended binders utilizing local waste product in concrete. UTP Internal PG Symposium. Universiti Teknologi PETRONAS
